Springfield Sports Academy

Principal's Message

Thanks for being an SSA Charger!! We are a school committed to meeting the individual needs of all students. This requires some standards of excellence and commitment to success. Students should arrive to school by 7:30 am at 7:45 am students are tardy and missing writing. We start every morning with writing from K-6th grade it is a grades assignment.

We are always available to connect and chat about your scholar. However, as we continue to grow and focus on instruction please utilize class dojo and or leave a message with the front office. All staff have 24-48 hours to reply to meeting requests; we appreciate your understanding.

The SSA staff is committed to active communication and differentiation. Please join us on the free version of Class Dojo and follow Springfield Sports Academy on Facebook. There's a friendly competition for classes to get 100% of families connected to Dojo for a class party. Thanks for your commitment to excellence; with no excuse.

Best, Mrs. Hunter
