

Welcome to all of you!

I want to start by saying “thank you.” I thank every one of you for making the choice to bring your child to The Springfield Sports Academy. As many of you know, I am the new principal here at the Springfield Sports Academy. I am extremely excited to start the school year and even more excited to have the opportunity to meet each of.

While I am new to the Academy, I am not new to education. I retired 2 years ago after teaching for 37 years. I taught my first 2 years in Clark County, then chose to move to a larger, more diverse district. I happily stayed at Huber Heights City Schools for the remaining 35 years. When I retired, I was appointed to the Ohio State Board of Education. I served on that board for 16 months. I resigned that position to return to work full time here at Springfield Sports Academy. I hope you find time to stop by and visit me. I have been getting acclimated to the school since June 14th. I absolutely love seeing the students that are here for the Empower Program this summer and I am looking forward to meeting the rest of our students when school starts.

The staff will return to work August 1st with the students first day back being August 13th. The hours for school are the same as previous years; the student day begins at 7:45 and ends at 3:15. We will offer free breakfast from 7:15 -7:40 for any who want it. I am hoping the students are excited to come back and meet the many new enrollees and reconnect with old friends! We have a new office manager, her name is Cheyenne Waddell, she is so kind and so smart. If you have any questions regarding registration, paperwork, or anything else regarding the school please reach out to her! I am working on placing teachers into the needed grade levels, many staff members are returning, and we are finalizing interviews and placing fresh staff where needed.

August 1st is going to be a big day here at the Springfield Sports Academy. We are kicking off year with a Back to School Carnival for all current and perspective family members! We have a bouncy house, face painters, food trucks and more scheduled from 4:00-6:00 I hope all of you can make it and if you know of a family that may be interested in attending the Academy, please let them know as well!

Again, please feel free to stop by the school during the regular school day hours. I am available throughout the day. If you would like to meet with me personally, please call the school and we can schedule an appointment time that works best for you.

I hope to see you all soon and until then enjoy what is left of the summer break.

Amy Malone Fugate

Principal of The Springfield Sports Academy
