REPORT ON BULLYING INCIDENTS

(January 2025 – June 2025)

School regulations in Ohio require that the schools prepare a report to the school board on a semi-annual basis of all reported incidents of bullying.

Under the law, bullying is defined as “an intentional written, verbal or physical act that a student has exhibited toward another particular student more than once and the behavior causes both mental or physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.”

These are the reports received at Springfield Sports Academy for the first semester of the 2023-2024 school year.
